www.clearconceptinc.ca

Charlotte is our Senior Manager of Client Solutions, an expert speaker, and a skilled coach. Charlottes delivers engaging and practical workshops and has over a decade of experience working with large corporations across industries, including numerous national and international law firms, and government.

Charlotte is committed to empowering high performing individuals at all stages of their careers to do their best work. Her focus areas are productivity, collaboration, communication, mindset and wellbeing. Charlotte also designs training solutions using a collaborative and client-focused approach to help our clients achieve long-term results.

Charlotte started her career as a Strategic Consultant giving her a deep understanding of how organizations can optimize their performance. She quickly shifted her career to workshop facilitation and coaching, as this is where she truly shines.

Charlotte is trilingual and holds a Master's degree in International Marketing from ESC Rennes (France). Her trilingualism and international studies in five different countries give her a unique ability to connect with a wide range of audiences. Charlotte delivers workshops in both English and French.

When not inspiring others to reach new heights, Charlotte enjoys hiking in nature and relaxing by the fireplace.
